Great Analogy

A bottle of water at Costco is \$0.25.
 The same bottle in the supermarket is worth about \$.50
 The same bottle in the bar costs \$2.
 In a good restaurant or hotel it can be worth up to \$3.
 At an airport or on the plane, you may be charged \$5.
 The bottle and the brand is the same, the only thing that changes is the place. Each place gives a different value to the same product.
 When you feel like you are worth nothing and everyone around you belittles you, change places, do not stay there.
 Have the courage to change places and go to a place where you are given the value you deserve. Surround yourself with people who really appreciate your worth. Don't settle for less.
